

Recorded Interview Consent Form

The Army Educational Outreach Program (AEOP) offers our nation's youth and rising STEM professionals opportunities for meaningful, real-world STEM experiences. Through the AEOP STEM Foundations program, high school students explore the extensive career options available in STEM, understand the unique ways they can contribute to STEM, and gain essential skills to help them succeed in college and beyond.

Thank you for agreeing to participate in an interview with Vinil Polepalli, a student in this STEM Foundations Program. After completion, please return this form to the student.

Please check below if you authorize recording of this interview or not:

- ☐ I authorize and consent to the recording of this interview
- ☒ I do NOT authorize or consent to the recording of this interview

Please check which of the following ways you consent to AEOP sharing your recorded interview:

- ☒ This student may use it to complete their assignment, but AEOP cannot share it
- ☒ AEOP can share with this STEM Foundations cohort (about 25 other students)
- ☒ AEOP can share with all STEM Foundations cohorts
- ☒ AEOP can share with all AEOP students
- ☒ AEOP can share with the public

I have read this consent form before signing it and I understand what it says.
